Message from CEO

Dear Students, Faculty, Staff, and Agents of Blue Lotus College,

I am filled with immense gratitude and enthusiasm for the progress we've made and the new opportunities that lie ahead. This season encourages profound self-reflection, accompanied by heartfelt appreciation and renewed determination as we approach the end of another remarkable chapter in our journey.

At Blue Lotus College, our commitment to fostering a vibrant learning environment that empowers and energizes our students has never been stronger. Throughout 2025, our entire community has witnessed incredible advancements in academic, professional, and personal achievements. Our students remain steadfast in their pursuit of success, while our faculty and staff tirelessly explore innovative teaching methods that enhance educational outcomes.

Thank you for your unwavering dedication to Blue Lotus College. I look forward to concluding 2025 with pride and an optimistic, serious commitment to what lies ahead.

Warm regards,

Rajesh Acharya

CEO, Blue Lotus College

Blue Lotus College at International Info Sessions in Indonesia & Bangladesh

Blue Lotus College proudly participated in two exciting international education events this year – connecting with passionate students and partners in Jakarta and Dhaka.

At **SMAN 21 Jakarta Info Session Day (18–19 August 2025)**, our team engaged with enthusiastic students eager to explore BLC's pathways in Hospitality, Healthcare, Accounting, IT, Civil Construction Design, and Business Management. We shared insights about studying and living in Australia while inspiring students to pursue global opportunities.

Meanwhile, in Bangladesh, our Country Representative, Sayek Ahmed, represented Blue Lotus College (BLC) at the **Study Abroad Fair 2025** held at the Bangladesh-China Friendship Conference Center. The event saw a great turnout of students, parents, and education agents keen to learn more about BLC's programs and pathways, including our General English course.

We thank our hosts in both countries for the warm welcome and look forward to strengthening our international collaborations to empower more students worldwide.

Spooky Diwali Celebration at Blue Lotus College

Blue Lotus College recently celebrated a fun-filled Spooky Diwali, bringing together the vibrant traditions of Diwali and the festive spirit of Halloween! Students came dressed in colorful Diwali attire and creative Halloween accessories, creating a joyful fusion of cultures on campus.

The celebration featured delicious food, lively music, energetic dancing, and plenty of photo moments to capture the memories. Events like these showcase BLC's diverse and inclusive community, where students from around the world come together to learn, connect, and celebrate in style.

Career workshop

Negotiation Skills

At Blue Lotus College, we're committed to preparing our students for success beyond the classroom. Our recent Career Development Workshop, themed **"Advocating for Yourself,"** empowered students to build confidence and master essential negotiation skills for the modern workplace.

Through interactive discussions and real-world practice, participants learned how to assess salary benchmarks, understand benefits packages, and handle counter-offers with professionalism. The session also featured engaging role-playing activities, allowing students to apply their learning in realistic scenarios. The workshop inspired students to take charge of their career journeys and approach job negotiations with clarity and confidence – another step in helping BLC graduates stand out in a competitive global job market.

Staff Potluck celebrations on Dashain

showcase diversity and inclusion

The Blue Lotus College team recently came together to celebrate Dashain, one of Nepal's biggest festivals, with a cheerful staff potluck. It was a wonderful moment of cultural sharing, laughter, and connection – reflecting the diversity that makes our college community so special.

Culture Fun Fusion Fest

Blue Lotus College recently hosted the much-anticipated Culture Fun Fusion Fest, a joyful celebration of the diverse cultures and backgrounds that make up our student community. The campus was filled with color, laughter, and excitement as students came together to showcase their traditions and connect through cultural exchange.

One of the most memorable highlights of the event was the International Attire Showcase, where students proudly wore traditional clothing from their home countries. From elegant saris and dazzling hanboks to vibrant African prints and graceful kimonos, the campus transformed into a living runway of global culture. Each outfit represented not only beauty and craftsmanship but also the deep sense of pride and identity that our students carry from their roots.

The celebration also featured cultural performances, music, dance, and food stalls offering authentic international flavors. Students enthusiastically participated in activities and learned more about each other's customs, languages, and traditions – creating a true atmosphere of unity and appreciation.

The Culture Fun Fusion Fest was more than just an event – it was a day of shared joy, discovery, and togetherness, reflecting the inclusive and multicultural spirit of Blue Lotus College.

New Horizons: BLC + AIHE Pathway Announced

Blue Lotus College (BLC) is pleased to announce a formal Packaged Course Pathway Agreement with the Adelaide Institute of Higher Education (AIHE). This partnership creates a clear academic route for students who want to move from vocational education to higher education in Australia.

Both institutions are committed to academic success and employability. This collaboration helps learners transition smoothly from BLC's nationally recognized vocational programs to AIHE's degree offerings.

About the Pathway

Under the new agreement, students who finish eligible Diploma and Advanced Diploma programs at Blue Lotus College can receive advanced standing and credit transfers for related degree programs at Adelaide Institute of Higher Education. This allows students to save time and tuition costs while continuing their education in a supportive environment. The agreement is valid for three years from the start date and meets the standards set by the Tertiary Education Quality and Standards Agency (TEQSA).
