IELTS Preparation course summary

The IELTS course is for students from Intermediate to Advanced levels. It focuses on academic skills, with the goal of preparing students to successfully sit the IELTS test. During the course, you will be engaged with different, exciting topics and practice speaking, listening, grammar, reading and writing.

Course schedule

This course timetable has scheduled classes for 20 hours per week. You are expected to take additional hours out of class contact hours to complete homework and practice your English skills.

Assessment

Every week, you will study a new unit, which will be on a different topic. During each week, you will have 2 assessments. One short assessment in the middle of the week, and one long assessment at the end of the week.

You will be given a result for your assessments, with feedback regarding areas you should aim to improve.
