ATTENDANCE MONITORING

BLC monitors students' attendance record for all VET courses.

The summary of Attendance Policy of BLC is provided below:

- Student attendance is monitored at each and every session of scheduled class time using the "Class Attendance Record". Each trainer will be provided with a Record Sheet that will include the names of all students currently enrolled in each class. This Record Sheet will be populated by Student Administration at the beginning of each week. Each trainer shall also be responsible for ensuring the list of student names and recorded attendance is accurate at all times.
- This record sheet is broken down into sessions (morning and afternoon) and requires an indication of attendance twice per session – once at the start of the session and once at the end of the session. A student who arrives late or misses part of a session shall have their hours of attendance recorded on the 'Class Attendance Record Sheet'.
- Student attendance is then tallied for the day and the Trainer / Assessor will be required to sign the attendance record at the end of each session and confirm the accuracy for the recorded attendance of each student.
- The Student Attendance Record is to be submitted to Student Administration at the end of each day. Student Administration will ensure these record sheets are maintained securely and collated as required.

- All attendance shall be recorded in the Student Data Management System which shall record each student's attendance and shall calculate the projected attendance of each student if they were to attend all remaining classes.
- All relevant staff (Student Administration & Trainers / Assessors) are informed of this process and the importance of accuracy when entering and collating student attendance through the staff induction program and through regular monitoring by the Academic Manager.

MONITORING STUDENT ATTENDANCE

- The Academic Manager will monitor student attendance at each course. The projected attendance will be monitored each week to ensure students are given every opportunity to rectify a poor attendance record.
- At the beginning of each course the Student Data Management System will be set up with each of the students and their relevant required course hours.
- All 'Student Attendance Record Sheets' are to be submitted to Student Administration who will enter all data into the Student Data Management System. At the end of each week it is the responsibility of Student Administration to ensure all attendance records are up to date and are accurate.
- At this time, once per week, the Academic Manager will record the attendance percentage of all students and monitor the individual attendance of each student.

- Where an individual student's attendance falls below 80%, the student will be sent a letter advising them that their attendance is poor and that this may cause them to have difficulty in completing the assessments. Students will be reminded of the requirement to maintain satisfactory academic performance. Refer to policy Attendance monitoring for more: <https://www.bluelotus.edu.au/students/forms-and-policies/>

This is important to ensure Students receive correspondence of a formal nature, such as notices regarding the course or attendance and academic performance. It is the Learner's responsibility and in their own interests to ensure that their contact and address details are always up-to-date.

BLC CODE OF CONDUCT

Students must maintain, and must uphold, the right to be treated fairly, with respect and courtesy, without discrimination, regardless of religious, cultural, racial and sexual differences, age, disability or socio-economic status. Students should maintain, and uphold, an environment that is free from all forms of intimidation, which supports their learning without interference from others, which is safe, clean, orderly and co-operative and which respects and protects personal and College property from damage or misuse.

PLAGIARISM

Acts of plagiarism, collusion and cheating are not permitted in any work completed for assessment and will result in a written warning and repeating the VET unit of competency, as well as incurring any associated charges. If a Learner is caught engaging in these acts a second time, they may be suspended or expelled from the College. All works submitted must be an accurate reflection of the Learner's level of competence. To view the Plagiarism and Cheating Policy and Procedure, please visit our website www.bluelotus.edu.au.

UNIQUE LEARNER IDENTIFIER (USI)

All Students undertaking vocational education and training must hold a USI and provide it to the College during the enrolment process. If Students do not provide a USI, the College will not be able to issue a Certificate, a Statement of Attainment or Transcript for the training. For details on USI, visit www.usi.gov.au.

Learner Services staff can assist you to obtain your USI on request.

An application for credit transfer must be lodged in writing. Application forms for credit transfers are available on our website www.bluelotus.edu.au.

RECOGNITION OF PRIOR LEARNING (RPL)

Students who believe they already have some of the competencies in the course they wish to study may apply for RPL. An essential requirement of RPL is proof of competency. This may involve providing copies of your resume and/or work performance appraisals, job position descriptions and any certificates of in-house or formal training. You may be asked for contact details of people who can vouch for your skill level such as supervisors from current or previous workplaces, clients or personal character references from the community. Examples of other useful records include letters from employers and records of your professional development sessions. An application for RPL must be lodged in writing.

Application forms for RPL are available on our website www.bluelotus.edu.au.

PAYMENT OF FEES

The course fees include tuition, tutorials and lectures, campus facilities and a Learner identification card. Fees for Full-Fee (Fee-for-Service) Students are payable as per the Fee payment plan agreed. BLC does not require students to pay more than 50% of their tuition fees before they start their course, however, students may choose to do so. A payment schedule will be provided to the Learner at the time of enrolment.

BLC SCHOLARSHIP

BLC offers Fee Help to Students based on academic merit and distinguished achievements and where learners demonstrate financial hardship as a barrier to learning.

COMPLAINTS / APPEALS

BLC value feedback from its students and treats any complaints and appeals with priority and encourages its students for regular feedback.

Any complaint and appeal can be lodged with BLC either formally or informally. If a Student is dissatisfied with a decision made by the college, Learner may formally appeal the decision by contacting Student Services and placing their complaint in writing. If the Learner is still dissatisfied with the outcome, the Learner may appeal the decision externally with the overseas student ombudsman. For more information visit <http://www.ombudsman.gov.au/about/overseas-students/international-students>.

BLC Complaints and Appeal process doesn't take away Learner's right as consumer and they can seek external assistance.

Please refer to a copy of Complaints and Appeal's policy at our website www.bluelotus.edu.au.

CHANGE OF COLLEGE OR COURSE

The National Code 2018 restricts the capacity of students to transfer to other providers prior to completing six months of their principal course.

If students wish to apply for permission to transfer to another college, they will need to complete the written request (e-mail is acceptable) or release form available from the College. There is no cost attached to applying for a release; however, students will need to contact the

Department of Home Affairs to seek advice on whether a new visa is required.

The reasons under which a student will be released are if:

- BLC has cancelled/ceased to offer the students program (letter from BLC supplied)
- The College has had a sanction imposed on its registration by the ESOS agency that prevents the overseas student from continuing their course with the College.
- The overseas student is reported because they are unable to achieve satisfactory course progress at the level they are studying, even after engaging with that registered provider's intervention strategy to assist the overseas student in accordance with the Standard 8 of National Code 2018.
- There is evidence of compassionate or compelling circumstances.
- BLC has failed to deliver the course as outlined in the written agreement.
- There is evidence that the overseas student's reasonable expectations about their current course are not being met.
- There is evidence that the overseas student was misled by BLC or an education or migration agent, regarding BLC or its course, and the course is therefore unsuitable to their needs and/or study objectives.
- An appeal (internal or external) on another matter results in a decision or recommendation to release the overseas student.

BLC will refuse a release to the student where there are factors that may be considered to the student's detriment.

Factor include:

- if the transfer may jeopardize the student's progression through a package of courses;
- If the student has recently started studying the course and the full range of support services are yet to be provided or offered to the student; and
- if the student is trying to avoid being reported to Home Affairs for failure to meet the provider's attendance or academic progress requirements

All applications will be assessed on the basis of the BLC's Policy, Conditions of Enrolment, the Fee Payment and Refund Policy, the study plan and declaration submitted by the student in their application. Documented evidence supporting circumstances/ reasons for seeking a release letter must be included with this application.

Please refer to Transfer of Students between Providers Policy & Procedure available at BLC website www.bluelotus.edu.au.

DEFERRED OR SUSPENDED STUDIES

(including leave of absence for any length greater than 5 days)

Students may initiate a request to defer commencement of studies or suspend their studies on the grounds of compassionate or compelling circumstances. Students wishing to defer or suspend the commencement of studies must apply to do so in writing to the College.

Reasons for suspending your enrolment are limited to extenuating circumstances such as:

- Personal illness (e.g. a hospital procedure);
- Bereavement (death of an immediate family member);
- Serious illness to an immediate family member

If you know that you will not be attending classes during the study period, you should contact the College and arrange an appointment to discuss your circumstances. Subsequent to your meeting and after providing documented evidence supporting circumstances/reasons for seeking suspension or cancellation of enrolment you will be required to complete and submit an Application for Suspension or Cancellation of Enrolment form.

The College may decide to suspend or cancel a student's enrolment on its own initiative as a response to:

Misbehavior by student

- The student's failure to pay an amount he or she was required to pay to BLC to undertake or continue the course as stated in the written agreement
- Breach of course progress or attendance requirements by the overseas student, which must occur in accordance of National Code 2018 Standard 8.

BLC may defer an enrolment where the course is not being offered at the proposed date, site, or other reasons where it is necessary to cancel the course. In such cases a refund shall be processed as required or alternative courses offered. Deferral of commencement, suspension of enrolment and cancellation of enrolment has to be reported to the Department of Home affairs by the College and this may affect the status of a student visa.

Please refer to our Deferring, suspending or cancelling the student's enrolment Policy & Procedure at college website www.bluelotus.edu.au for details.

QUALIFICATIONS ISSUED

Students completing all assessment requirements for a qualification will be awarded a certificate corresponding to the completed course. Students completing assessment requirements for part of a qualification will be awarded a Statement of Attainment for completed competencies. Completion of courses does not guarantee an employment outcome. Formal requirements other than educational qualifications (e.g. licensing, professional registration etc.) may apply to some occupations and locations.

IMPORTANT INFORMATION

WORK WHILE YOU STUDY

Australian Immigration laws allow students to work for a limited number of hours while studying on a student visa in Australia. Students can currently work 40 hours per fortnight during the College's study periods and work full-time during breaks. However, work is not always easy to find and under no circumstances can students rely on income earned in Australia to pay tuition fees.

For more information, please visit www.studyinaustralia.gov.au/english/livein-australia/working/work-while-you-study.

PROVIDER DEFAULT ON DELIVERY OF QUALIFICATION

In the unlikely event that the College is unable to deliver your course in full, you will be offered a refund of all fees paid to date. The refund will be paid to you within 14 days of the day on which the course ceased being provided. Alternatively, you may be offered enrolment in an alternative course by the College at no extra cost. You have the right to choose whether you would prefer a full refund, or to accept a place in another course. If you choose placement in another course, we will ask you to sign a document to indicate that you accept the placement. If the College is unable to provide a refund or place you in an alternative course, the Tuition Protection Service (TPS) will place you in a suitable alternative course at no extra cost to you. Please refer to our Fee Payments and Refund policy and Tuition Protection Service policy for details on our website at www.bluelotus.edu.au.

STUDENT COMPLAINTS AND APPEALS

The College has a Student Complaints and Appeals Policy and Procedure to provide students with a fair and equitable process for resolving any disputes or complaints they may have. After completing BLC's informal and formal complaints processes, a student who is dissatisfied with the outcome may launch an

internal appeal. If dissatisfied with the outcome, the student may request mediation through the Overseas Student Ombudsman. The College's complaints and appeals procedure can be obtained from Student Support Services or viewed on our website at www.bluelotus.edu.au.

SCHOOL-AGED DEPENDENTS

There are requirements for compulsory school attendance for dependents of international students. In Victoria it is compulsory for children to attend school until the age of 16. The choice of schools includes public schools, private schools and religious schools. People over the age of 16 can continue to attend school until they have completed year 12. Dependents of persons holding a student visa may be required to pay full fees at any school, College or University in which they enroll while in Australia.

ACCESS AND EQUITY POLICY

The College's Code of Practice includes an Access and Equity policy. It is the responsibility of all College staff to ensure the requirements of the Access and Equity policy are met at all times. You can review the policy at www.bluelotus.edu.au

ESOS FRAMEWORK

The Australian Government wants overseas students to have a safe, enjoyable and rewarding study experience and has put in place laws which promote quality education and consumer protection for overseas students. These laws are known as the ESOS framework and they include the Education Services for Overseas Students (ESOS) Act 2000 and the National Code 2018.

BLC is governed by the ESOS Framework and is committed to fulfil its obligations under the act. For full description of ESOS Framework refer to:

<https://internationaleducation.gov.au/regulatory-information/pages/regulatoryinformation.aspx>

RELEVANT LEGISLATIONS

A range of legislation is applicable to all staff and students of BLC. Information on relevant legislation can be found at the following websites.

- The Victorian Equal Opportunity & Human Rights Commission www.humanrightscommission.vic.gov.au/index.php/the-workplace
- VET Quality Framework www.asqa.gov.au
- Education Services for Overseas Students Act 2000 available at <https://www.legislation.gov.au/Details/C2017C00292>
- Department of Home Affairs www.homeaffairs.gov.au
- Education and Training Reform Act www.education.vic.gov.au/about/departments/legislation/Pages/act2006.aspx

There may be additional, course-specific, legislation that is relevant. Information about this legislation will be provided during the course.

USE OF PERSONAL INFORMATION

Information is collected during your enrolment in order to meet the College's obligations under the ESOS Act 2000 and the National Code 2018 and to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws. The authority to collect this information is contained in the

ESOS Act 2000, the ESOS Regulations 2001 and the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

Information collected about you during your enrolment can be provided, in certain circumstances, to the Australian Government and designated authorities and, if relevant, the Tuition Protection Scheme. In other instances, information collected during your enrolment cannot be disclosed without your consent where authorized or required by law.

It is a requirement of the VET Quality Framework that students can access personal information held by BLC and students may request corrections to information that is incorrect or out of date. Apply in writing to the Student Services Manager if you wish to view your own records.

BLC also collects student information for various marketing purposes. BLC will always seek consent from the student before gathering and using such information and students always have a right to decline such requests. Your enrolment form contains a statement regarding Media Consent. You can view the Privacy Policy and Procedure at www.bluelotus.edu.au.

STUDENT VISA OBLIGATIONS

OVERSEAS STUDENT HEALTH COVER

Overseas Student Health Cover (OSHC) is a health insurance that covers the cost of visits to the doctor, some hospital treatment, ambulance cover, and some pharmaceuticals. International students must have OSHC while in Australia for the duration of their course of study. The OSHC must be paid before a student visa is issued.

BLC can organize cover for you through Allianz Global Assistance OSHC if you wish. Contact our Student Support Officers for additional information. You can find out more about OSHC at www.health.gov.au and www.study.vic.gov.au.

FULL TIME STUDY

Australian law requires international students to undertake a full-time study load. A full-time study load is normally a minimum of 20 hours per week for at least 40 weeks each calendar year or continuous 12-month period.

ATTENDANCE

International students studying VET courses are expected to attend all classes to facilitate effective learning. However, students in VET courses will be reported to the Department of Home affairs only on the basis of unsatisfactory course progress (see Attendance Policy for VET courses).

ACADEMIC PROGRESS

If students do not meet academic progress requirements, they will be reported to the Department of Home affairs which may lead to cancellation of their visa.

Unsatisfactory course progress is defined as not successfully completing or demonstrating competency in at least 50% of the course requirements in a study period. One study period for BLC course is of 10 weeks (term).

A failure in more than 50% of units in one study period will trigger a review of academic progress by the College and the implementation of an intervention strategy.

Failing a unit means being assessed as 'Not Yet Competent (NYC)' for a completed unit.

In order to have the best chance of maintaining satisfactory progress you must:

- Attend all theory and practical classes;
- Pay attention to the work and activities undertaken in class;
- Study the theory and practice skills that are taught in class;
- Ensure that you are present for all assessment activities scheduled by trainers; and
- Make an appointment with the Student Services Coordinator if you are having any difficulties with your studies.

In addition to the above minimum requirements, BLC will implement counselling procedures and an intervention strategy when your teachers think you may be in danger of not meeting the requirements. Counselling and intervention may be conducted more frequently. If a student is identified as not making satisfactory course progress in a second consecutive compulsory study period in a course, BLC will notify the student of its intention to report the student to the Department of Home affairs for unsatisfactory progress. The provider does this through the written notice.

The written notice (of intention to report the student for unsatisfactory progress) will inform the student that he or she is able to access the BLC's complaints and appeals process and that the student has 20 working days in which to do so. A student may appeal on the following grounds:

- BLC's failure to record or calculate a student's marks accurately, compassionate or compelling circumstances, or
- BLC has not implemented its intervention strategy and other policies according to its documented policies and procedures that have been made available to the student.

Where the student's appeal is successful, the outcomes may vary according to the findings of the appeals process.

If the appeal shows that there was an error in calculation, and the student actually made satisfactory course progress (successfully completed more than 50% of the course requirements for that study period), BLC does not report the student, and there is no requirement for intervention.

If the appeals process shows that the student has not made satisfactory progress, but there are compassionate or compelling reasons for the lack of progress, ongoing support will be provided to the student through the BLC's intervention strategy, and the College does not report the student.

Please refer course progress policy on our website at www.bluelotus.edu.au.

CHANGE OF ADDRESS

Upon arriving in Australia, you are required to advise the College of your residential address, email address, mobile phone number and emergency contact details. Any changes to these details must be notified to BLC within 7 days of the change. It is extremely important that students notify the College of a change of address as, under Section 20 of the ESOS Act 2000, the College is obliged to serve a notice at your last known address if you breach a student visa condition relating to attendance or academic performance. The College may also send warning notices to you to help prevent breaches of your visa conditions. As per Tuition Protection Service (TPS) update, international students are required to update their current address at least every six months. It is your responsibility and in your own interests to ensure that your address details are always up-to-date at the College. Additional information on student visa issues is available on the web site of the Department of Home Affairs www.homeaffairs.gov.au.

LIVING IN AUSTRALIA

MULTICULTURALISM

More than 100 ethnic groups are represented in Australia, making it one of the most culturally diverse countries in the world. Australia's dynamic multiculturalism can be attributed to its unique combination of indigenous cultures, early European settlement and immigration from all parts of the world.

Australians value the wealth of cultural diversity and social sophistication that international students bring to our campuses and communities. BLC takes great care in looking after international students and helping them to adjust to the Australian way of life. International students also gain great benefits from their education in Australia and make lifelong friendships.

LANGUAGE

Although English is the official language, more than 4 million Australians speak a language other than English; more than 800,000 speak an Asian language, the most common being Mandarin, followed by Cantonese and Vietnamese, and another 800,000 speak a European Union language. English, as it is spoken in Australia, is easily understood by nearly all people from other English-speaking nations. While there are some minor differences in accent between the cities and country areas, the differences are much less than those found in America, Britain and Canada. As you improve your English, you will learn some of Australia's colorful and often humorous slang, and have fun explaining the meanings to friends and relatives.

RELIGION

Australia is predominantly a Christian country however; all religions are represented. Australians respect the freedom of people to practice their choice of religion. Churches, mosques, temples and synagogues are located in most major cities.

HEALTHCARE

Australia has a very good healthcare system. All Australians pay a Medicare levy (additional tax) to fund the public health system to ensure that everyone has access to public-system doctors, hospitals and other healthcare services. People who pay extra into private health insurance funds receive extra privileges when using private healthcare services. You will find the usual healthcare services available in Australian suburbs including GPs (doctors), dentists, osteopaths, chiropractors, psychologists, counsellors and many complementary healthcare practitioners too (Traditional Chinese Medicine, naturopathy, acupuncture, kinesiology etc.). International students studying in Australia are required to have Overseas Student Health Cover (OSHC) for the duration of their student visa (See, Student Visa Obligations, in this section).

FOOD

Australia has a fantastic variety of food. Its top-quality meat, fish, fruits and vegetables are exported to markets worldwide. There is a large range of fruit and vegetables available at Australian produce markets. Students should have no difficulty finding the foods that they are used to at home. Students can sample almost every type of cuisine in Australia's many restaurants and cafés. Ethnic restaurants offer cuisines from all around the world. Good food at reasonable prices can be found at bistros, cafés and Aussie pubs. For those who like takeaway, most of the major global fast food chains are well represented. The adventurous might want to sample Australia's bush tucker and national specialties like Kangaroo (available in supermarkets) and Crocodile (available in some restaurants).

SPORTS AND RECREATION

Australians are very keen on sport and outdoor activities and have gained a worldwide reputation as tough competitors in individual and team sporting events. Australia has more than 120 national sporting organizations and thousands of state and regional sporting bodies. Australians are also enthusiastic about bushwalking, fishing, boating and water sports.

ELECTRICITY

The electrical current in Australia is 240/250 volts AC, 50 cycles. The Australian three-pin plug is absolutely safe. Adaptors are usually required for most foreign appliances. A transformer may be required if students bring an appliance from overseas that operates on a different voltage.

TRANSPORT

Australia has an extensive public transport system that includes trains, buses, tramways, ferries, two major national airlines and a number of regional airlines. See Living in Melbourne below for more details.

Driving: Tourist students may drive in Australia on a valid Overseas Driver's License, but if the document is not in English, the visitor must carry a translation with the permit. An International Driver's License alone is not sufficient.

Taxis: Metered taxi cabs operate in all major cities and towns. Students can find taxi ranks at transport terminals, main hotels or shopping centers or can hail taxis in the street. A light and sign on the roof indicates if a taxi is vacant. There is a minimum charge on hiring and then a charge per kilometer travelled. You do not need to tip taxi drivers. Uber service is also available at the airport and there is a designated pick up place available outside the airport for Uber customers. You need to download the uber app on your mobile phone to order uber pick up.

TELEPHONES

Australia has a modern telecommunications system with mobile and internet access generally available at low cost. Public telephones are run by Australia's largest telecommunications company, Telstra, and are available at all post offices, shopping centers and are often situated on street corners. Telstra public pay phones accept a variety of coins and Telstra phone cards. Phonecards are pre-paid for use in public pay phones and can be bought at a large number of retail outlets such as post offices and newsagents in denominations of \$A5, \$A10, \$A20 and \$A50. Credit phones take most major credit cards such as Visa and Mastercard and can be found at international and domestic airports, central city locations and hotels. Mobile phones are very popular and can be purchased from a number of retailers including Vodafone, Optus, Virgin mobile.

BUDGETING

Students should work out a budget that covers accommodation, food, transport, clothing and entertainment. Childcare, if applicable, should also be taken into account. For more information on Living in Australia costs, visit www.studyinaustralia.gov.au.

TRAVEL

During term breaks, students may like to venture beyond Melbourne to experience more of Australia's spectacular natural environment and great physical beauty, such as great ocean road, marine parks and national parks (The Great Barrier Reef, Kakadu, Uluru), the Queensland rainforests and the pristine countryside and mountains of Tasmania. Student and backpacker travel agents in metropolitan cities offer cheap flights and package deals.

MONEY AND BANKS

Australian currency is the only legal tender in Australia. When students first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Travelers' cheques are easier to use if already in Australian dollars, however, banks will cash travelers' cheques in virtually any currency. Major hotels and some shops, depending on individual store policy, will also cash travelers' cheques.

It is a good idea to set up an Australian bank account. You will need to provide visa details and evidence of residency. Banking services in Australia are extremely competitive. All major banks have branches in cities and regional centers. Major banks include ANZ, Westpac, National Bank, Commonwealth Bank. Community banks, like Bendigo Bank, are a popular alternative.

Most shopping centers have Automatic Teller Machines (ATM) facilities. These machines can be used for deposits and, in many instances, withdrawals 24-hours-a-day. Many department stores, supermarkets and specialist shops have electronic transfer terminals (EFTPOS) where cash withdrawals can also be made in addition to purchasing goods.

More information on banking is available at www.studyinaustralia.gov.au.

Normal bank trading hours Monday to Thursday - 9.30 am – 4.00 pm Friday - 9.30 am – 5.00 pm. Some banks are open Saturday mornings.

Credit Cards

Credit cards are widely accepted around Australia. The most commonly accepted credit cards are Visa, MasterCard, AMEX and Diners Club.

Currency

Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The bank notes in use are \$5, \$10, \$20, \$50 and \$100. Coins used are the silver-colored 5 cent, 10 cent, 20 cent and 50 cent coins and the gold-colored \$1 and \$2 coins.

Tipping

Tipping is not the general custom in Australia and service charges are not added to accounts by hotels and restaurants. In good quality restaurants however, it is usual to tip food and drink waiters up to 10% of the bill for good service. Porters have set charges at railway terminals, but not at hotels. However, tipping is a matter of individual choice.

FINDING ACCOMMODATION

The following types of accommodation are available for international students.

Home Stay

This option is an opportunity for students to live in a private home, with a local family, couple or single person and learn about Australian life. You may need to compromise with living arrangements as you will need to fit in with the household's routines and expectations. You will need to think about the things that are important to you. You may need to ask about how adaptable meal times are in relation to your studies and other commitments. You may also want to consider how the other people in the home will feel about your friends visiting, your music and the hours that you keep. There are different types of home stay arrangements:

Cost: A\$110.00 - A\$235 to \$325 per week

Full Board

Usually includes a furnished room (bed, desk, lamp, wardrobe), three meals per day and bills (electricity, gas and water, but not telephone and internet). Some homestay providers may even do your laundry.

Cost: A\$300 - A\$450 per week

Half Board

Usually includes a furnished room (bed, desk, lamp, wardrobe) and bills (electricity, gas and water, but not telephone and internet). You can use the cooking and laundry facilities in the house.

Cost: A\$225 - A\$350 per week

Board in Exchange

Usually means free, or low cost, accommodation (including bills), in return for household duties such as cleaning, or childcare.

Cost: Free or low cost (below A\$100)

Lease/Rent

Renting an apartment or house is done through a real estate agent. You must sign a contract called a “lease” to rent the house, either month-by-month, or sometimes a 6-month, 12-month or 2-year lease is required. The lease entitles you to private use of the property for the duration of the lease. The advantage of this is privacy and independence.

You must pay a bond (the equivalent of one month’s rent, to cover any damage you may do to the premises). You are responsible for paying all bills (except water and council rates), maintenance of the property and providing all your own furniture and household items.

If you choose a house or apartment in a popular area, there will be much competition. The real estate agent selects the tenants who they believe are the most stable and able to meet the requirements of the lease.

Cost (shared accommodation): A\$100.00 - A\$400.00 (unfurnished)
